Jerry and Craig:

I was tied up all day yesterday with the College Board of Advisors and received a brief report from Cy Logar yesterday evening about what transpired in the meeting(s) held yesterday in the matter of Ms. Heather Bresch.

I, as well as Cy and Jerry Blakely, am here all this next week if needed to continue to discuss this matter and to assist in whatever capacity you would need my assistance.

Please let me know what additional information you need and of course, any additional information that is needed in this matter.

Gentlemen:

The Provost and Craig Walker need to see all of us this morning in Stewart Hall. Let Lana know ASAP as to your availability this morning. He is in a meeting at the moment, but I have left a message for him to let us know when we need to be there.

This is in regards to the matter of Heather Bresch.

Bill and Craig:

I met with Provost Lang this morning about this whole issue. He and I feel that it is better for us in the college to complete the transcript first and then send back the letter along with the completed transcript and other supporting materials. I have the grad programs and Associate Dean Logar working on the transcript matters, and we believe that we can have everything completed on Monday.

I appreciate your patience on this.

Thanks.

Steve

Can you draft a letter from you as Dean of the College to Admissions & Records confirming that Heather Bresch met the requirements of the executive MBA program in December of 1998. Also include language that other students during this same period had similar issues with hours not be submitted appropriately to A&R.

Once approved, we can provide a copy of that letter to the Pittsburgh Gazette with Heather's permission.

Thanks.

Bill:

We have received an inquiry about Heather Bresch from the Pittsburgh Post Gazette — a message was left on the voicemail of the office.

Who should respond to this?
